COMPANY OVERVIEW

Who We Are

MyraTech Solutions, LLC is an SBA-Certified 8(a), Women-Owned Small Business delivering agile, secure, and mission-aligned IT, engineering, logistics, and professional services to federal agencies.

Core Differentiators

- Agile, Right-Sized Delivery. Senior-level attention on every engagement with the flexibility large contractors cannot offer.
Compliance-First Culture. FAR/DFARS, EM 385-1-1, and agency-specific standards built into every process from day one.
Proven Mission Impact. Prime contractor on USACE LA District wildfire debris recovery — one of the largest post-disaster QA missions in Southern California history.
98% Incumbent Capture Rate. Proven transition methodology with 50,000+ candidate database for rapid, qualified staffing.
20+ Years of Management Expertise. Executive leadership engaged on every contract — not just at the proposal stage.

Contract Awards & Milestones

PRIME CONTRACT 2025 · **PRIME CONTRACT · U.S. ARMY CORPS OF ENGINEERS · FEMA-DIRECTED MISSION**

Los Angeles Wildfire Debris Removal — Quality Assurance Services
 USACE Los Angeles District · 2025

Awarded prime contract to deliver Quality Assurance services overseeing contractor compliance with EM 385-1-1 safety standards. MyraTech conducted daily site inspections across dozens of neighborhoods impacted by the Los Angeles wildfires, delivered real-time reporting, and supported one of the largest post-wildfire debris recovery missions in Southern California history — on schedule, in full compliance, and to USACE's complete satisfaction.

Our Value Proposition

We are a small, highly flexible, and experienced 8(a) WOSB with the infrastructure, personnel, and resources to manage diverse contracts of varying complexity. Unlike larger organizations, our size affords instant adaptation to changing requirements — delivering value-added benefits directly to our federal customers with 20+ years of management expertise.
